

SAN RAFAEL

TREAT OF A TOUR

GIRL SCOUTS from San Rafael toured the Upper Crust bakery at 1133 E. Francisco Blvd., where they got to walk through the 15-foot-by-30-foot freezer and see ovens big enough for 165 pies. Each girl made her own pie, using trans fat-free dough, a natural sugar substitute and blueberries,

raspberries and blackberries. Above, Upper Crust owner Christine Milne helps Jesse Grove and Adriana Babicz (right) through the motions. Milne, who has been making pies for 20 years, is a booster of the Scouts' "Miss Program," through which women business owners mentor young girls.
